

90-Minute Breakthrough Workshop

Are you

Wanting to create buy-in from diverse stakeholders?

Trying to work out best value solutions?

Needing a quick pulse check before going deeper?

Our 90-minute Breakthrough Workshop is designed to quickly and effectively understand your engagement challenges and generate high quality, easy to implement ideas on how you can overcome them.

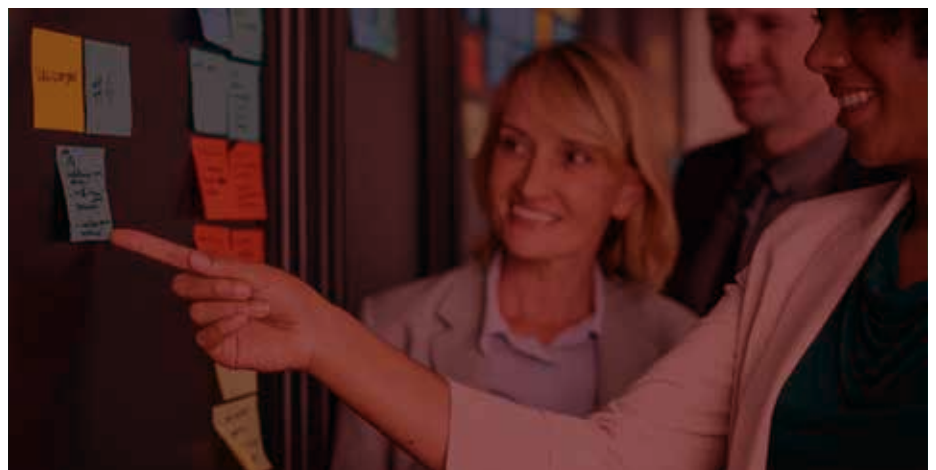

Our deep industry knowledge and extensive experience working with water industry professionals allows us to understand your issues and get to the heart of the matter quickly.

The Breakthrough Workshop focuses on working with Foundry's engagement and communication specialists to:

- *Bring key stakeholders together*
- *Identify your main communications challenges*
- *Generate ideas for meeting these challenges*
- *Prioritise communications options.*

This workshop would be great for:

- *strategies and plans*
- *annual reports*
- *on-ground projects*
- *sharing complex messages*
- *engaging community.*

COST \$499
